## 2019 Rebuilders Dinner

April 5, 2019

### 2019 Rebuilders Honoree Leo C. Miller

Leo Miller is an enthusiastic advocate of addiction treatment both professionally and personally. He has worked in the field of addiction treatment in a variety of positions and as a volunteer for many decades. Having been blessed to enjoy 42 years of sobriety himself, Leo has dedicated his life to giving back to the recovery community. Today, he provides intervention services to families who have a member with a significant alcohol, drug or mental health issue. He also provides counseling services to recovering addicts and alcoholics.

Leo first started out at the Holy Cross Mission in the Skid Row area of Chicago working with the homeless men from the area who had difficulties with alcohol. He has had experience as an Employee Assistance Professional, working with a consortium of four hospitals for 15 years and an additional 3 1/2 years with United Airlines. Most recently, Leo brought his vast experience to the fore as a member of the leadership team at Haymarket Center for 15 years before he retired. He has served on many Boards over the years, most notably: the Northern Illinois Employee Assistance Professional Association, the National Catholic Council on Alcoholism and related Drug Problems and St. Michael's House.

Leo is married to Therese "Terri" Miller, his strength and partner for 35 years. They are the proud parents of two sons, Patrick and Daniel.
