The **Way Back Inn/Grateful House** was established in 1974 as an independent, not-for-profit agency dedicated to serving adult men and women who are recovering from drug, alcohol and gambling dependence. Over the past 45 years, WBI has given a second chance to thousands of people that were trapped in the insidious cycle of addiction. Our recovery program focuses on the integration of the body, mind, and spirit, helping clients to achieve long-term, continuous sobriety.

The Way Back Inn will be hosting its ***Annual Rebuilders Dinner at the River Forest Country Club on Friday April 5th, 2019.*** This event is our most important fundraiser of the year and provides support for programs that rebuild broken lives. We ask you to support this year's event by becoming an event sponsor, purchasing a table or kindly donating an item which can be featured as part of our auction program. ***We are requesting donations of large and small items (i.e., signed memorabilia, tickets to events, vacation packages, gift certificates or merchandise).*** Please see the enclosed auction donor form, or download at www.waybackinn.org (***click on Special Occasions under the Donate tab.***)

Our programs deliver the expertise and quality care that gives residents the best opportunity for a lasting recovery. Your support is critical to the success of our efforts, and I trust equally important to you as a member of your community. If you need any other information or have any questions, please do not hesitate to contact **Nancy Redd at 708-345-8422 ext. 28 or nancyr@waybackinn.org.** ***The deadline is March 22, 2019.*** With your help, the Way Back Inn can continue to be a safe haven in which people can rebuild their lives.

Best regards,
